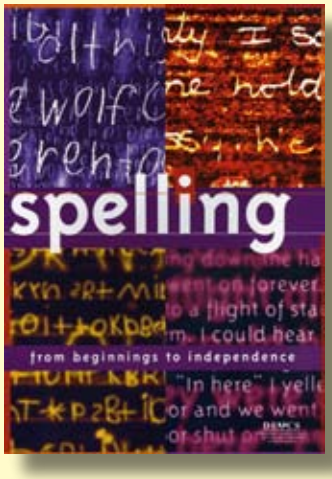
Buy Spelling or ABC...

Spelling: from beginnings to independence

DECS, 103pp.



A resource for classroom teachers across all areas of study and can be used to support the spelling development of students from the early years to senior secondary.

The resource is based on the premise that every student is capable of learning to spell well and that learning spelling is a multisensory process.

$34.95

ABC: Handwriting in the South Australian Curriculum

DECS, 90pp.

This book asserts that it is still important for children to learn to write by hand. In learning to handwrite, students also learn about the shape and sound of letters which is essential to reading.

This book presents practical ideas for the teaching of handwriting, which will work with any modern cursive font.
